MEMORANDUM FOR: SA/DDO

ATTENTION: [REDACTED]

SUBJECT: SSC Request for Chile Propaganda

REFERENCE: [REDACTED] 26 November 1975

1. LA Division did not retain file copies of the posters, leaflets and publications which the Santiago Station funded or helped to prepare in Chile [REDACTED]. These materials were overt, having been prepared for distribution in Chile, and they were frequently forwarded by the Station as samples of the production of a project. Many of them were destroyed soon after receipts, since they were too bulky to maintain, although a selection of such material was retained [REDACTED].

[REDACTED] These too were destroyed when [REDACTED] had completed its review.

2. In an effort to assist the SSC Committee, [REDACTED]

[REDACTED] We have located a few examples of posters, leaflets and cartoons [REDACTED] which can be made available to Committee staff members, but these of course represent an infinitesimal percentage of actual production. [REDACTED]
